To The Jeffrey Dean Company,

Jeffrey Dean spoke at Lakeland High School on September 1st. His honest, heartfelt, and humor-filled presentation touched the hearts and minds of our students and staff. With his mix of stories and real-world, no-holds-barred, straight talk, the message about the choices we make and how we control our own destinies supported our school focus on Trust, Respect, and Responsibility. The number of students and parents that went to his presentation the next night at the LaGrange First Church of God was a testament to the impact of his message.

Special thanks go out to our local Compassion Pregnancy Centers for sponsoring Jeffrey's presentations in our area. Thank you for forging the types of local partnerships that promote supportive messages for students!

Gratefully,
